

Wyndham Gambling Prevention Forum

Addressing Local Issues Through Local Community Forums

The Wyndham Gambling Prevention Program (WGPP) is a pilot program which is designed to develop sustainable, community-driven, culturally and linguistically appropriate programs which include education and resources to deal with problem gambling in five refugee and newly arrived migrant communities in the Wyndham area.

The forum is organized to create an opportunity for community members and local social service providers to have a dialogue and share good practice ideas and discuss the challenges of access and equity in the western region of Melbourne

Speakers will include:

Terefe Aborete
Managing Director,
Horn Of Africa Communities Network Inc

Niamh O'Brien
